Fresh issues in Police seize/ Lab Testing Module to be fixed.

1. Ascending/ Descending functionality in work sheet is not working with effect from 09/05/2026.
2. On Submission of report, A message "emailed to S.H.O successfully" appears but the concerned work item does not disappear from work sheet with effect from 07/05/2026.
3. Update facility in CE-RAJESH Login does not working and a message "oops server error occurred ____" Exists., May see the attached vedio.
4. Speed in the CE-RAJESH Login is very slow.
5. A permanent solution for assignment / Re-assignment for the cases in which data is updated, has yet not been made.
For example:
 - (a) FIR 234/25 P.S Kishangarh PST 2500763.
 - (b) FIR 304/25 P.S S.J Enclave PST 2501967.
 - (c) FIR 531/25 P.S Kalkaji PST 2502202.
 - (d) FIR 436/25 P.S Budh vihar PST 2502048.Are not getting assigned.
6. (a) Along with above cited issue the issues in IMFL/ Enforcement mailed on 08/05/2026 has yet not been fixed.
(b) May see the attached report of work item no IL2600500 which shows only two characteristics of wine in place of 22 characteristics.
© Examiner word should be changed to EXAMINER in all the module of lab testing.i.e.
